INT. BEDROOM - DAY

Sitting on his desk, DYLAN stares at the wall, specifically on a sticky note reminder written "Do laundry!" Pans to DYLAN looking at his overflowing laundry basket. DYLAN let's out a big sigh, grabs the sticky note, crumples it up, and ultimately tosses it to the ground. It accidentally hits his roommate, who is peacefully sleeping. His roommate is still sleeping, indicated by his snore, so it doesn't disturb him.

INT. LAUNDRY ROOM - DAY

DYLAN shoves all of his clothes into the washer. Insert camera angle from inside the washer. He throws in his tide pods. He puts one in, hesitates, puts another in, and ultimately throws a third one in because he feels that his clothes are too dirty and will overpower the two tide pods he already put in.

Cuts to DYLAN closing the door and trying to pay with his app or quarters. He struggles to find enough change until someone taps him on the shoulders.

Cuts to CONNOR. A ray of light shines as he smiles warmly to DYLAN, offering to change. Before DYLAN can say thank you, CONNOR exits with his basket.

DYLAN checks that CONNOR has just put his clothes in the washer. He is relieved because that means he will be able to see him for the dryer.

INT. BEDROOM - DAY

DYLAN is in bed, thinking about CONNOR. While he is in deep thought, his phone alarm rings. It says move laundry.

INT. ELEVATOR

Carrying his basket down the hall, DYLAN almost misses the elevator. DYLAN blurts wait and just when he thinks he misses the elevator, it opens. Inside, CONNOR is there with his smile, holding his basket as well.

DYLAN stares at CONNOR as CONNOR presses the elevator button.

INT. LAUNDRY ROOM

DYLAN and CONNOR are in the laundry room, moving their laundry into the dryer.

DYLAN accidentally drops his dryer sheet. CONNOR and DYLAN both reach for it. All of this feel like it is in slow motion for DYLAN...

Suddenly cuts to CONNOR slamming the dryer. He gives a slight nod/wave to DYLAN. That moment earlier was all just a dream in DYLAN'S head, and he is a little bummed. He also closes the dryer. Cuts to black.

INT. BEDROOM - EVENING/NIGHT

DYLAN wakes up from his nap. He realizes a lot of time has passed. He checks his phone and gets a sudden panic as he realizes his laundry is still left in the dryer.

INT. LAUNDRY ROOM

DYLAN rushes to his dryer and stares at the dryer. On it, there is a sticky note. A close-up of the sticky note reveals a number written on it, signed off by CONNOR. DYLAN is excited and takes the sticky note off the dryer.

INT. BEDROOM

DYLAN saves CONNOR'S number and debates what he should text.

Attempt 1: Hey:) This is Dylan from the laundry room!

DYLAN backspaces as he thinks it's too enthusiastic.

Attempt 2: Yo bro, laundry room dude Dylan here.

DYLAN backspaces and is weirded out by his own response.

Suddenly a loud snore interrupts DYLAN'S thoughts, his roommate JERRY is still sleeping and snoring.

Attempt 3: Hi! This is Dylan from the laundry room.

Satisfied, DYLAN presses send. Cuts to various montages of DYLAN waiting for a response on his bed, folding laundry, checking his phone and ultimately throwing it. He suddenly gets a notification. It's from CONNOR: "Oh hey!" DYLAN smiles. As DYLAN is about to text CONNOR, CONNOR texts him another message. DYLAN'S face falls with disappointed.

CONNOR: Can u Venmo me back the five dollars. Thanks!
